15	Close Browser	Browser closes	Closed successfully	✔ Pass

Test Summary:

Total Test Cases	15
Passed	15
Failed	0
Success Rate	100% ✔

Conclusion:

All functional components tested — login, search, and create post features — are working as expected. The application successfully handled user input, navigation, and data submission without any functional or UI errors. This test confirms that the core posting functionality is stable and user-ready.
